

Modern Classics Fly Tying Classic Salmon Fly Body Dividers

- 1) Cut apart cards.
- 2) Mark the front end of the body with a fine point marker.
- 3) Select the correct card for the number of body sections.
- 4) Hold card behind hook after creating underbody.
- 5) For right handed tyers—align left edge line with rear of body.
- 6) Keep card vertical! Slide card up or down to align the right side mark with the front of the body.
- 7) Mark off the body sections.
